

SWIM-A-THON FUN-DRAISER

Earn money for swimming practice! And for having some fun!

This **FUN**-draiser allows the swimmers to directly contribute to their team, and their own skillsets by providing an opportunity for swimming practice. Plus, it's a lot of fun!

HOW IT WORKS:

Our swim coaches and volunteers will run the Swim-A-Thon for you at the Eagle Ridge Swimming Pool. We will track the "laps" for each swimmer. This enables the swim coaches to help instruct their swimmers while they are in the pool. While your child's actual pool time will only be 15 minutes, depending on the number and age of the swimmers, the overall event can last 2-3 hours. We strongly suggest you hang around and cheer on your fellow swimmers.

Your swimmer will be designated a 15minute swim time and will share a lane with 1 other age appropriate swimmer.

The swimmer solicits pledges from sponsors, in advance, for either a per lap pledge or a flat donation amount.

Each family should try to set a minimum pledge goal of \$100. The more pledges, the more profit your swim team will have.

LAP LENGTHS

6 & under 15 yards = 1 Lap, approximately half the pool length.

7 & older swim 25 yards = 1 Lap, the full length of the pool.

SUGGESTED SPONSORSHIP GOALS

(Example: 30 laps in 15 minutes)

For the above 30 lap example: \$.50 per lap sponsor = \$15, \$1.00 per lap sponsor = \$30, \$2.00 per lap sponsor = \$60 **or pledge a flat donation amount (for example: \$10, \$15, \$20, etc.)**

All swimmers must bring their pledge forms **AND** all collected money to the Swim-A-Thon.

"Per Lap" Pledges, must be collected and turned in on or before **SWIM PRACTICE** on **June 15, 2019**.

PROFIT EXAMPLES based on 50 families participating:

If a swim team of 50 families receives \$50 in pledges, the swim team will earn \$2,500! If those same 50 families meet their \$100 family sponsorship goal, the swim team will earn \$5,000!

This money can be used to offset coaching fees, swimmer fees, event costs, team insurance, concession stand money, team banquet, light rentals or other related costs that the swim team may incur throughout the season.
